

**LOGO DESIGN DEADLINE EXTENDED UNTIL FRIDAY DECEMBER
10, 2010**

IRON HORSE MOVES INTO THE

21ST CENTURY...

Ten years ago, the Iron Horse District chose a logo consisting of a steam train to move forward into scouting. Today, we would like to challenge all scouts to come up with a new logo to commemorate the district's 10th year, and to move us into the 21st century. "Iron Horse" was the name given to trains by Indian tribes to describe trains that moved out west. Trains have played an important role in Contra Costa County, and therefore, has meaning in our district. Therefore, we would like an "updated" version of our train that projects power, strength and motion.
